## About us:

We, Petrolynx, specialized in design and manufacturing of Oil & Gas, Petrochemical, Refinery, Power and Infrastructure sectors based Static Equipment, Process Skid Packages, Plant Piping, Fabrication of Structural steel, Storage tanks. We have an extensive experienced Professional Team in the Design, Manufacturing and in large scale fabrication and Construction works in all the above sectors.

## Our Scope and Services

- » Steel structural pre fabrication and Installation
- » Storage Tanks and Silos
- » Piping spools and supports for Infra Structure and Utilities
- » Offshore and Onshore skid structures and baskets
- » Steel moulds, ducts, racks, platforms and walkways
- » Various customized steel fabrication
- » Industrial blasting and epoxy painting
- » Repair, Refurbishment of storage tanks

### Steel Structures :

- » Pre-fab Building
- » Pipe Racks
- » Pump & Process Skid
- » Staircase, Handrails & Ladders
- » Various Supporting Structure
- » Skids

### Piping :

- » Oil Pipeline
- » Water Pipeline
- » Ducts
- » Risers
- » Bollards

### Storage Tank

- » Horizontal Storage Tank
- » Vertical Storage Tank
- » Silo
- » Rectangular Tank
- » Pressure Vessels

## Customised

- › Batch Mixers
- › Offshore Basket
- › Mould for Pre-cast
- › Containers
- › Crane Girder
- › Tool Box

## Types of Products & Production Rate :

Description	Production Rate (MT per Year)
Steel Structure -Shop Fabrication	1,200 MT
Storage Tanks	500 MT
Piping	300 MT
Others (Structures & Misc)	1,500 MT
<b>Total</b>	<b>3,500 MT</b>

## Welding Process (es):

- › Gas Tungsten Arc Welding - GTAW
- › Shielded Metal Arc Welding - SMAW
- › Submerged Arc Welding - SAW
- › Flux Core Arc Welding - FCAW (Inner shield)
- › FCAW (Dual shield)
- › Gas Metal Arc Welding - GMAW (MIG/MAG)

## Major Facility - Location:

The manufacturing facility of Petrolynx and its allied companies are located in own land of Area 10,000 Square Meters and located in Umm Al Quwain, United Arab Emirates.

Petrolynx and its allied Coating facility and services shall include, but is not limited to:

- ›› Grit blasting using steel grit.
- ›› 3 or 4 Coat system of Epoxy or Polyurethane based Painting in a certified building, using properly maintained equipment
- ›› Painting of equipment with coatings from manufacturers such as PPG, Hempel, Jotun, Berger etc.
- ›› Inspection and Testing of coating with calibrated measuring instruments.
- ›› Our Blasting and Coating team provide the finishes to the most stringent requirement by user specifications and customers.
- ›› Qualified NACE/BGAS inspectors and skilled workforce are available in-house.

**CERTIFICATE OF AUTHORIZATION**

The named company is authorized by The American Society of Mechanical Engineers (ASME) for the scope of activity shown herein in accordance with the applicable rules of the ASME Boiler and Pressure Vessel Code. The use of the ASME Single Certification Mark and the authority granted by this Certificate of Authorization are subject to the provisions of the agreement set forth in the application. Any certification stamped with the ASME Single Certification Mark shall have been built strictly in accordance with the provisions of the ASME Boiler and Pressure Vessel Code.

**COMPANY:**  
Petrolynx Industries and Projects L.L.C  
PLOT NO 666, B2  
UAQ INDUSTRIAL AUTHORITY AREA  
UMM AL QUWAIN  
United Arab Emirates

**SCOPE:**  
Manufacture of Class 1 and Class 2 pressure vessels at the above location and field sites controlled by the above location

**AUTHORIZED:** June 17, 2022  
**EXPIRES:** June 17, 2025  
**CERTIFICATE NUMBER:** 90295

**THE NATIONAL BOARD OF BOILER & PRESSURE VESSEL INSPECTORS**

**Certificate of Authorization**

This is to certify that Petrolynx Industries and Projects L.L.C Plot No 666, B2, UAQ Industrial Authority Area, Umm Al Quwain United Arab Emirates is authorized to use the 'R' Symbol in accordance with the provisions of the National Board Inspection Code and NB-405, Accreditation of 'R' Repair Organizations and activities within the scope of this Authorization shall be controlled by the above location. The scope of this Authorization is limited to:

Steel  
Repaired Alteration  
in  
Shop and Field Locations

**Certification Number:** 10979

**Issue Date:** June 23, 2022  
**Expiration Date:** June 17, 2025

*[Signature]*  
Executive Director
